Commander Paul Mulvihill, USNR  
Reserve Intelligence Program Officer  
Headquarters Eighth Naval District  
New Orleans 40, Louisiana

My dear Commander Mulvihill:

This is to confirm arrangements made for me to represent this Agency at the Intelligence Seminar on 22 and 23 June 1963.

I expect to arrive in New Orleans on Friday, 21 June at 7:01 p.m. CST via Eastern Airlines flight #305. Would it be possible for you to meet me? My plans call for me to leave New Orleans on Sunday, 23 June at 6:40 p.m. CST via Eastern Airlines flight #526. If it is convenient for you to do so, I would appreciate it very much if you would arrange for my overnight accommodations on Friday and Saturday.

I look forward to meeting you and to addressing the group of officers.

Sincerely yours,

  
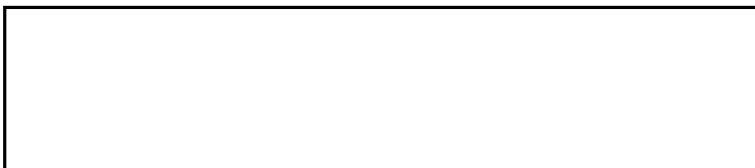

CIA Briefing Officer
